

RULES & REGULATIONS

Attention Parents, Coaches, & Team Captains:

The KCF4KIDS 3v3 Basketball Tournament is a Charity Event and designed for all ages. KCF4KIDS and your local sponsors want all participating youth and adults to have a positive, fun experience. In order for this to happen, we ask that all coaches and parents play a positive spectator's role.

Please note that there will be absolutely no tolerance for inappropriate language and/or behavior directed at players or officials. Only one warning will be given. If any incident reoccurs, you will be asked to leave. Please help this be a positive and charitable event for the kids we serve in our community through our foundation. Thank you for your continued cooperation; we look forward to having you in supporting a great cause!
