

## **Kingdom Sports Center, Futsal House Rules for the 2019 Futsal League**

We want the games to emphasize skill development & fun. Emphasis on dribbling, passing, ball control and shooting. Pele, Messi, Ronaldo & many of world's soccer greats developed their game in futsal.

Scores will be posted on scoreboard and in the standings at a maximum of 5 goals. Please be respectful of the opposing team and do not run up the score. Try only scoring off head balls. All players touch.. A win is 3 points in the standings and a tie is 1 point in the standings.

You cannot score from a kickoff or a kick in.

No sliding except keeper in the box to make a save. (no slide tackles, sliding to save ball out of bounds, sliding to score...)

Futsal is intended to be no contact or limited contact. Emphasis on skill, speed and field vision.

Kick-in must be touching the color and must be totally stopped before it is struck. (2-yard clearance by defender)

Referee discretion to award change of possession at any time due to delaying restarts.

Goalie Box is 3-pt area. Penalty mark is foul line, 6 foul pk line is second white line.

1-minute halftime to talk with team and allow referee to reset the 5 foul count. (we will NOT switch sides)

After 5th direct kick offense, there is a second line pk for each foul of the half. (total restarts at halftime) No direct or indirect kick can be closer than the foul line (PK mark)

4. second goalie possession in any situation. No interference when ball is in keeper's hands

Goal clearance must be distributed with hands if ball comes from out of bounds. Off save, keeper can use hands or feet.

If keeper throws ball past midcourt on fly, it is an indirect at mid-court. (no punts or drop kicks)

**\*\*No profanity of any kind at any time for any reason. (this can get you removed from property/league/tournament) No intentional fouls, no dissent of any kind, no trash-talking or taunting of any kind.**

Corner Kicks, Indirect or Direct kicks must be given 5-yard clearance by opposition.

If ball hits the basket, it is a kick-in from the nearest point by team that did not touch the ball last.

Subs must enter in front of their team bench. You may not enter until your teammate is completely off the field. (no competitive advantage). Tag in with hand touch on the color of the sideline.

Score from anywhere, Whole ball across the goal line.

Players must have shin guards and socks covering them. No jewelry.

There must be one adult/coach on the sideline the whole game, every game.

At the end of the game if there is a foul, the kick will be taken even if time expires. (referee discretion) Do not foul intentionally. Set the wall quickly at 5-yards without being warned. Play ends at referee discretion.

Coaches, players and parents, please clean up after the game.

Playback rule to the keeper is like outdoor. They may not use their hands, but can receive the ball and use their feet.

Please do not ever talk to officials in a negative way and don't talk to them after a game. Officials only have a few minutes before their next game and they will not discuss the game with you. Any issues with dissent or disrespect by players, coaches or fans can result in removal from the league/tournament without refund.

No arguing or yelling at officials or coaches or players. We are all working together to have a positive and encouraging atmosphere of skill development and fun! We want this league/tournament to be family-friendly.

Officials are coach volunteer. Please be mindful and understand this league is to encourage players to develop their skill. Winning or losing is not important but skill development is the goal here.
