

Dear Loyal Customer,

We would like to thank you for being apart of the Kingdom Sports Center this year. We strive to give you the best in everything we do. We would like to inform with you about some issues that we will be changing this year to better serve you for our sports.

We are home to nearly 1 Million Customers Annually, for Basketball, Soccer, etc... What we are most passionate about is exactly what you hold most precious to you. YOUR CHILDREN. In everything we do, we want to give your young Athlete, the best quality in competition, officiating, and an exciting experience that they go home saying "I cannot wait to go back to the Kingdom, Mom and Dad". That is why we are here. To support those young athletes in everyway possible.

Change #1

- We will be intolerant of fans, parents, or coaches who use constant profanity and vulgar language towards the Officials, Players and Coaches, in our facility. We are here to ensure these young athletes a clean, positive, family friendly atmosphere at all costs.
- It is our job as adults to give the young athlete a role model to look up to.
- Policies will be in place when parents or spectators are unruly or effect the game. The Tournament Director will stop the game and give out warnings to both coaches. The next violation after the warning will be a forfeit of the game!

Change #2

- We do not allow outside food in our facility. We provide you with the best quality concession food there is, ranging from our Famous Pizza, Fresh Steak Sandwiches, Buttery Popcorn, Hot Pretzels, and Our Delicious Candy, all the way to our Cold Fountain Drinks and Refreshing Gatorade and Water Selections.

Change #3

- Bringing you the best, we now are on Facebook, Instagram & Twitter. Please go follow us and while your here, tag us with a picture of you playing. We follow back and love interacting with our wonderful fans, and athletes year round.

Thank you for everything that you do for us, as we want nothing more than to serve you in every way possible. In all we do we want to give you the best quality and we will not stop improving, as you are our priority.
